Letter No C4- Mily 888/46-7 dated 21-8-49 requesting sanction to the Continuance of the Special establishment for Land Grants to Mily personnel under Mily Concession Rules -

The Spl. establishment for Land grants working under the Contol of the Revl: Commr Consists of the following.

1. Spl. officer (of the Rank of Asst Commr)
2. Two Clerks drawn from the Rev: office
3. Three peons.

This establishment was sanctioned in G.O. No 6524-6 dated 23-5-46 and is being Continued year after year and the present period of sanction accorded in G.O. dated 28-4-48 expires on 11-4-48. The Revl: Commr has recommended the Continuance of the establishment for a further period of one year from 11-4-49 for the Reasons indicated in his letter. The proposal for Continuance of Mily establishments are to be submitted to Govt atleast a month earlier, and not at the tag end of the sanctioned period as has been done in this case.

The object with which the Spl. establishment was sanctioned and being Continued is for the purpose of expediting grant of lands to Mily personnel ~~were~~ sanctioned by Govt under Mily Concession rules. From the Quarterly progress reports received from the Spl. officer in this behalf (a perusal of the

last quarter has been Sent Separately) and the figs of pending Cases it is seen that there are Still 951 Cases requiring to be disposed, the progress does not appear to be Satisfactory and if efforts are not made to clear the arrears by the Spl. officers, the establishment will have to be made permanent or Continued year after year indefinitely.

Taking into Consideration the Statistical figs furnished by the R.C. there appears to be need for the Continuance. The present Sanction expires on 11-4-49 an odd period in the official year, and to be Conformity with the offl. year, the Continuance of the present establishment may be Sanctioned from 11-4-49 to end of Dec 1949, with the direction that the Spl officer should bring the arrears to a close by that period. For Consideration & orders The proposal requires Full Concurrence.

3) It is highly doubtful whether there is enough work for a full time Assistant Commissioner to do the work in the office of the Revenue Commissioner. It is true that this work has to be entrusted to one office to ensure speedy and prompt disposal of these darakhast, but that need not be the only work entrusted to him. There are two office assistants to the R.C. and another assistant re: Amrut Mahal Kaval lands (Janab Nazir Ahmed Meccai) and yet another re: the disposal of date groves. Any one of these officers could be entrusted with the work re: Railway darakhast and then they might also have sufficient work. The Revenue Commissioner might be consulted on this point, if considered necessary

Re: the clerical staff I do not think there is enough work for two clerks to do this work. One Clerk – I Division in the revised scale of pay and without any deputation – might be sufficient. Re: peon if the post of the officer is not sanctioned as proposed above, then

4) I agree. The R.C. may be consulted about the need for continuance of the post, in view of their being two Special Assistants in addition to the two Office Assistants; the Officer in charge of the Jagal of Amrit Mahal Kaval lands can well attend to this work also, but this needs examination by R.C.

The scales clerical staff can also be cut down by one, if this work is amalgamated with that of any of the three Officers (four of them) mentioned above.

GOVT. OF MYSORE

With reference to G.O. No.P.9414-16 Mily. 223-47-4 dated 28-4-1948 sanctioning the continuance of the Special Establishment for grant of land to Military personnel for a further period of one year with effect from 11-4-1948, I have the honor to state that the period sanctioned in the above Government order is due to expire on 11-4-1949. The progress made in the disposals of Military Darkhasts after the posting of the Super Special Officer Sri H.G. Rajasekhara Vaderu in Government Notification No. G. 3296 CB. 3-47-18 dated 27-11-1947 is shown in the statement enclosed. It may be seen therefrom that the number of darkhasts pending on 1-3-1948 was 152 and 279 darkhasts were received up to the end of February 1949 bringing the total to 431 to be dealt with. Out of these, 277 darkhasts were disposed of leaving a balance of 154 on 1-3-49. A total extent of 190 acres 36 guntas was granted to the Military personnel for the period ending February 49. Though the disposals have kept pace with receipts, the number of awards pending settlement on 1-3-1949 is still large being 951 and these awards may be classified as follows:

Very early

2/4/49

1. Awards relating to Ist Great War of 1914.	510	
2. Awards from 1937 to - 1-3-1948	337	
3. Fresh awards from 1-3-48 to the end of February 49.	104	Total: 951.

Further lists of awards are expected, in connection with the recent Police Action in Hyderabad and the Military Operations in Kashmir. The number of awards to be satisfied are likely to show an increase in the circumstances. In order to meet these awards the Special - Officer has, during the period ending 1-3-1949 toured - several taluks in the districts and has so far checked and verified lists of lands in respect of 25 taluks which have been sent to the Chief Commandant for publication in the several military Units for the information of the Military ~~Unit~~ Personnel in accordance with the instructions recently issued by Government. The lists of lands of the remaining taluks are being verified for being sent to the Chief Commandant as verification is completed. The number of awards pending settlement is still large and the work has increased particularly after the issue of the notification No. P. 13706/mily.3-48-60 dated 16-2-1949 Fq A for the expeditious settlement of the awards. In this Notification the awardees have been granted three months time to register their claim for lands. It is therefore necessary to continue the Special Establishment for a further period of one year as the work is of a special nature. I therefore request that sanction of Government may be kindly obtained for the continuance of the Special Establishment for further period of one year with effect from 11-4-1949.

Yours faithfully,
